

### **3-16-16 A putt and a prayer**

In golf, putting is the most important aspect of the game. In a game where the standard is 72, half of those strokes are accounted for on the putting green.

Putting is a mystery. It is so simple that any person with an ounce of athletic ability can do it well. Conversely, a person with great athleticism who has a wonderful golf swing, can be a mediocre or terrible putter.

There are many ways to putt. I heard a great teacher of golf proclaim, "Try them all and figure out what's best for you."

Well, there are similarities in putting and praying. Prayer is as important to faith as putting is to golf and there are many ways.

So as the golf teacher says: "Try them all and figure out what's best for you."

Just a thought. I'm Sid Batts from First Presbyterian Church in downtown Greensboro, on North Elm Street overlooking Fisher Park, [fpcgreensboro.org](http://fpcgreensboro.org).
