

The WPC has been an early childhood education leader in Greensboro since 1946, providing best practices through educated and experienced teachers and administrators in a loving Christian environment.

“When we treat children's play as seriously as it deserves, we are helping them feel the joy that's to be found in the creative spirit. It's the things we play with and the people who help us play that make a great difference in our lives.”

2021-2022

First Presbyterian Church Weekday Preschool Center

In 2021 we are celebrating 75 Years of providing outstanding early childhood education to the Greensboro Community! It all started with one Kindergarten class in 1946, and we are still going strong!

“The teachers at the Weekday Preschool have made it a priority to develop a strong relationship with my children. This relationship helps the teachers motivate their students to learn. It also better enables them to identify a student's areas of strengths and facilitate growth in other areas. The school is an invaluable resource for ideas aimed at helping each of my children reach their full potential..”

Claire Driscoll—WPC Parent
