Palm Sunday

Easter

Instructions:

- Decide where to hang your purple ribbon. Perhaps in a window, on a door, or another prominent place in your home. (Ribbon can hang vertically or horizontally.)
- Color the first block, write in your name, and attach it to your ribbon with tape, clothespin, or safety pin.
- Each week, tune in to worship and color the corresponding square featured in the children's message. Consider adding some words describing where/how you feel the Holy Spirit in each place. Then, cut the square out and add it to your ribbon.
- After Easter, bring your completed ribbon to one of the Wednesday canned food drop off sessions. We will collect them and display them in Lent 2022!
