Sunday Funday

On the first Sunday of every month, we will do something different than normal youth group with the intention of promoting fellowship with new and old members of youth group.

While every Sunday is a good Sunday to bring a friend, these events will be specifically designed for youth to bring new people and may be less intimidating than normal youth group for newcomers.

What we do each month will be based on youth interest. Some of their ideas have been: pickleball, Top Golf, bowling, laser tag, movie night, capture the flag, and we're sure they will come up with many more!

Youth Council

This year, we are aiming to have more input directly from our youth. To facilitate this, we will have representatives from each grade meet once a quarter to discuss how they think youth group is going, what they would like to add or take away, and any other thoughts they have about our youth ministry program.

The application process has already concluded for the upcoming school year and representatives have been selected.

Sunday Mornings

Sunday School

Sunday School for youth is in the Youth Room at 10am. Youth are invited to come eat some breakfast, talk about the week, and do a devotion with our Sunday School teachers.

Confirmation

Confirmation is the process of becoming a member at FPC for eighth graders. It takes place during the Sunday School hour for a portion of the school year. If you would like to join, contact Lisa or Phae to register.

Confirmands will go through a series of classes, learning how the PCUSA church works and discovering more about their faith. They will have opportunities to explore other faith practices and complete service projects.

Confirmands are expected at each class session. On specific Sundays, confirmands will attend 11am worship together. If a session is missed, they will be expected to attend a makeup session.
